Summary of Literature

The "Certified Specialist of Wine (CSW) Study Guide" is a comprehensive resource designed for individuals preparing for the CSW exam, administered by the Society of Wine Educators. This guide covers a broad range of topics essential to the world of wine, focusing on viticulture, viniculture, and the sensory evaluation of wine.

The study guide is divided into several chapters, each dedicated to specific components of wine knowledge. The main chapter used for this project is Vinification process.
